Dear Alice:

Your letter was received Monday afternoon. Emma J. came home Tuesday night. Ben went to Lathrop to meet her and they came directly here, are here now and will probably stay till she goes back. This kitchen floor was painted Sunday and is not dry yet. She is not well to day but not so bad as she usually is. She has not decided when she will go back but not till some time next week; her clothes were sent out yesterday and will not be back till Monday. Your father has not decided when he will go to them but it will not be before April and if you are coming home the 12th I hardly think I will go down till you go back. You need not worry any about me, for

I am as well as I usually am, I was not for a little while but am better now. You can send your watch up when you have a chance, or wait till you come as you like. Mr Glick said he would put in a new crystal. I don't think you had better go to your Uncle Frank's to stay. You can go over occasionally and C. J. can go over to see you. There has been a notice sent to you that the annual dues of the Alumni Association are now due and become delinquent after the 26th of April. It says the dues are \$1.00 and at the bottom of the card, assessment 25cs. If you are coming home before then I will leave it till you come. I will send a little more money by C. J. so you can pay another months board. Every thing is growing nicely now. I like my new bedroom much better than the old one Aunt and George were over last night and got beat again. From your Mother
