Dear Ellen

We got home to night
at 6 o'clock and found all were
here. I saw all the Boys & all your
Nieces. The Stays of Day at St Albans,
Mary Jane bought 1 lb of Peanuts
and almonds, and she has been
giving them around to the Cousins.
We are going tomorrow to the
Cattle Show at Montgomery,
there we shall see 100 yokes of Cattle
all hitched together. Mary Jane
has been playing on her Piano this
evening. She plays quite well. She can
play 50 pieces. I may not write you
again for a week. Tell Frank
that his Cousin that boy has given
me a Chain to bring home to him. Shall
you write to me. Your loving Father
